

Lifestyle Floors carpet wear and stain warranty guide

All of our carpets and carpet tiles are covered by a wear warranty as detailed below.

There are two types of stain warranties – one that covers LIFE-PROOF carpets and the other which covers most of our other carpet ranges. Within the wear warranty period, our carpet ranges are guaranteed against wearing through the pile to the primary backing in an area bigger than a diameter of 10cm.

Life-proof explained

Three steps to Life-proof your floor:

1. Register for your warranty certificate at www.lifestyle-floors.co.uk/registerwarranty
2. Retain a small off-cut of your new carpet. This will help us if you do have any issues down the line.
3. Maintain your carpet by following our cleaning instructions and having your carpet professionally cleaned every 2-3 years.

Life-proof stain protection warranty conditions

- Your life-proof floor must be professionally fitted to BS 52325 standards.
- Your life-proof warranty covers domestic use in your single family home in the UK or Channel Islands, and you are unable to transfer this warranty without prior written authority from Lifestyle floors.
- You need to closely follow our cleaning instructions, promptly clean spills and have your carpet professionally cleaned every 2-3 years, keeping all receipts.
- The life-proof warranty does not cover damage due to application of chemicals or the use of cleaning methods not recommended in our carpet buying and cleaning guide. Nor does it apply where there is evidence of heavy soiling, abuse or neglect. It also does not cover stains from products containing pigment dyes, for example mustard.
- When claiming against the life-proof warranty claims must include a letter from a professional cleaner describing the spot and cleaning procedures used, with a statement that the spot could not be removed. Lifestyle floors may elect to have its cleaner re-service the spot. If this removes the spot, the consumer shall pay for the service. If Lifestyle floors determines that a stain persists and that all warranty conditions have been met, Lifestyle Floors will compensate the owner for the original material cost of the carpet for the area directly affected.
